

InDesign: Bobcat Beat Layout Template

Yearbook

Task:

Using InDesign create a 1-page layout template to use for your Bobcat Beat submissions.

Things to Consider:

- File size -> Web 800 x 600
- Text (Title and Body Text)
 - o Clear and easy to read. Sized properly.
- Images (Focal Image and Supporting Images)
 - o 4 - 6 Frames.
- Settings and Adjustments
 - o Styling text, frames, effects, colours.

Criteria (What I am looking for):

Category: Portfolio Work

Technical & Creative (20 marks)

- Clear title
- Body Text section
- 4 - 6 Image frames present
- Styling and Effects: *a personalized design*
- Visual Harmony and Flow: *Does it catch and maintain the reader's attention?*
- Properly named file
- Submit InDesign file by email or in YearbookShare
