

Photo Practice

The purpose of this task is to give you chance to stretch out your photo taking ideas and move around the school a little bit.

- Choose an item from the bin, or something no bigger than a loaf of bread.
- Use a DSLR or your phone to take 5 photos of your item.
- Each photo must look different. * **/2**
- Upload your photos to your OneDrive account
- Compile your 5 photos into a PowerPoint – *maximum 3 slides.* **/6**
- Convert your PowerPoint into a PDF. **/2**
- Share your PDF to Mr. Goldsack (mgoldsack@sd35.bc.ca)

*Consider different angles, camera positions, distances from your item.

*You can take photos in the classroom, in the hallway, stairwell, and outside for this assignment.
