

Photography Scavenger Hunt v1.0

Yearbook

Going around the school, **on you own or with a partner** to take photos that fit these descriptions. You can use a DSLR or Phone Camera...

- A Bobcat at Brookwood**
- Someone working in the library**
- A Gym Class**
- A teacher at their desk**
- Someone working on math**
- Somewhere in the dungeon**
- Group of Grade 8s (3 is the min. size)**
- A picture of the outside school**
- Students outside or inside the school**
- Somewhere on the 2nd floor**
- Somewhere on the 1st floor**
- A class full of students (ask teacher's permission)**
- Students & Lockers**
- An artistic angle of the school (anywhere)**

Upload your photos to your computer.

- Create a folder, and give it a name, in OneDrive.
- Add the photos from the SD Card (or AirDrop to your computer) to the folder.
- Delete the photos from the SD Card and Empty the Trash.

Processing Photos.

- Go through the photos in your folder. Delete any that are too blurry or washed out (too bright)
- Leave any extra photos in the folder.
- Share your folder to Mr. Goldsack.

Good luck and happy hunting!
