Task: Use Word to compile 25 questions and answers.

Twist: You will need to organize your Questions into 5 Categories with 5 Questions in each Category.

Example:

Category: Cats

Q1: How many hours a day does a cat sleep?
A1: 16 to 18 hours a day

Q2: How many bones does a cat have?
A2: 230 bones

Criteria *(What I am looking for)*

- List created in Word.

- 25 Questions with Answers.

- Questions organized into 5 Categories.

    o 5 Questions with Answers in each Category.

- Completed document handed in via email.

Total Value: 15 marks

Category: Assignments
