The 10 Point Challenge

In the attached Excel document, you will find a series of 10 pages that require fixing, re-working, or completing.

Each page will explain what needs to be fixed, however, you will need to figure out how to complete the challenge.

Some fixes will be simple or straight-forward, and others may require you to do a little research or testing.

Good luck.

Criteria

Category: *Projects*

Content (*30 marks*)
   - Correctly complete all 10 Challenge pages.

Total Value: *30 marks*
