

# Scavenger Hunt

Photography 11 & 12

**1) From the list below, choose 12 subjects to photography.**

- > Something red
- > Something square
- > Something electric
- > Something shiny
- > Something purple
- > Something fluffy
- > Something circular
- > Something green
- > Something tiny
- > Something colourful
- > Something tall
- > Something with straight lines

- > Something noisy
- > Something sharp
- > Something smaller than a mouse
- > Something tasty
- > Something to eat
- > Something dirty
- > Something light
- > Something with wheels
- > Something heavy
- > Something with hair
- > Something with texture
- > Something with wavy lines

- > Something on a dungeon wall
- > Something inside
- > Something outside
- > Something on the 1<sup>st</sup> floor
- > Something on the 2<sup>nd</sup> floor
- > A bobcat
- > A sign
- > Something with school colours
- > Something down a hallway
- > Something to write with
- > Something from a pocket
- > Something with numbers

**2) Think about how you will photograph these subjects...**

- *Proper exposure!*
- *Rule of Thirds? Point of View? Angles? Leading Lines? Spacing? Use of Colour?*
- *White Balance?*
- *Depth of Field?*
- *Post-Editing – Crop? Levels? Photo Filters?*

**3) Photo Requirements**

- *At least one photo in your collection must contain an obvious example of...*
  - *Rule of Thirds*
  - *Leading Lines*
  - *Colour*
  - *Black & White*
  - *Colour Isolation*
  - *Worm's Eye View*

**4) PowerPoint**

Place your photos in PowerPoint with no more than 2 photos per slide.

Label each photo with the photo prompt you used.

- *Ex. Something Tiny*

Save your final version in PDF format.

**5) Complete the Self-Assessment & hand in your finished files via email.**
