

Color Assignment

Photography 11 & 12

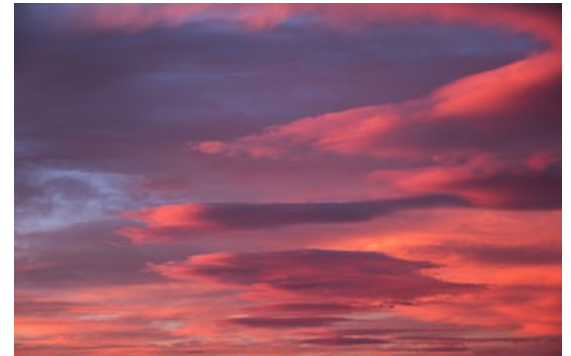

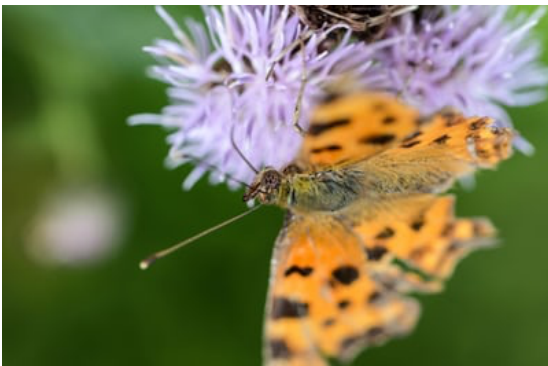

Task:

3 photos incorporating Complimentary Color Schemes (one of each)

- Red and Green
- Yellow and Purple
- Blue and Orange
- 1 more image using *Monochromatic* color scheme (all the same color) **or** *Analogous* color scheme (colors close to one another on the Color Wheel).

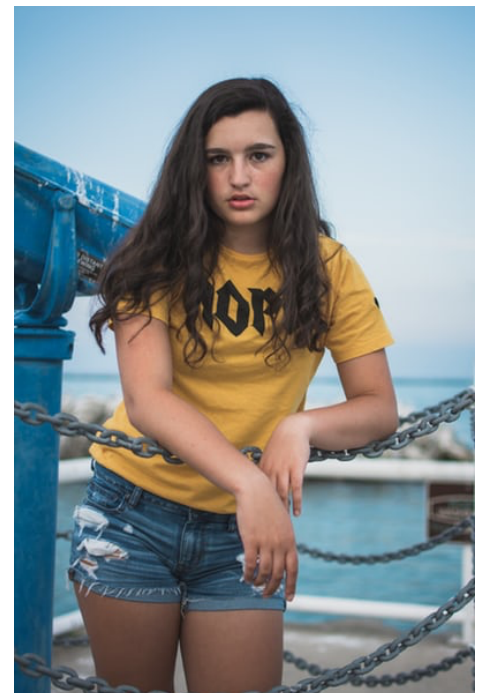

Hand in 4 photos total

Things to consider:

- Consider using the other 'Rules' we have discussed.
- Do not take a bunch of objects of certain colors and pile them together!
- Remember to change your perspective when shooting.
- Consider the lighting (indoors, outdoors)
- Think about every single item in your photo. Crop out thing you do not want.
- Use Props for colors that are uncommon.

Postproduction:

- Upload your photos to your computer.
- Use PowerPoint or Photoshop to display your photos.
- Include the Colour Style with each photo.
- Save file LastNameFirstNameColours
 - o Ex. SmithBobColours
- Export file to PDF or JPEG.
- Complete and Save Self-Assessment form.
- Hand in PDF/JPEG and Self-Assessment form.
