

Design is broad term that covers several different topics; clothing, artwork, architecture, aerodynamics, digital interfaces, and so on. Your experiences, feelings, and exposure play a huge part in your design preferences. These also change and evolve over time.

Task: Create PDF document that highlights who you are and what your current design preferences are.

Step 1: Answer the following questions...

- Your name and grade
- Hobbies or Favourite Activities
- Favourite Colour(s)
- Least Favourite Colour(s)
- 5 Favourite Pieces of Media (Some examples below, but if something wasn't mentioned add it!)
 - o Movies
 - o TV Shows
 - o Books
 - o Music (Artists or Albums)
 - o Video Games

Step 2: Put it together...

- Use PowerPoint to put your answers together with visual examples for each question. (8 Slides max.)
- Extension: Include a short reason/explanation for your choices.
- Save your PowerPoint and Export a copy as. PDF.
- Share your PDF with Mr. Goldsack.
